Introduction

This report results from the analysis of the training process evaluation questionnaires administered to all trainees anonymously. The questionnaire contained closed questions, which were treated through descriptive statistical analysis, and open questions to which content analysis was carried out.

Characterization of the Group of Trainees

The first group of trainees was made up of 10 judges from the civil and commercial area, working at the Judicial Court of the District of Porto Este and who signed up for the training course through the Judge President of the District.

The remaining 2 trainees, Advisors from the Support Office for the Judicial Magistrates of the District of Porto Este, expressed interest in participating in the training, and the organization agreed to the request, given the need for training in these matters.

The second group of trainees was made up of 15 Justice Officers from the civil and commercial area, working at the Judicial Court of the District of Porto Este and who signed up for the training course through the Judicial Administrator of the District.
